

NIGHT BREAKER H7-LED PRO

First street legal H7-LED in low beam application in Germany

First street legal H7-LED in low beam application in Germany¹⁾

Better seen and be seen, for more safety on the road, especially at night

Up to 220% more brightness²⁾

Cool White LED-Upgrade with color temperature close to daylight for specific car models

Up to 5 times more lifetime³⁾

Environmentally friendly through longer durability and less garage shop visits and reduced energy

First NIGHT BREAKER LED

With NIGHT BREAKER H7-LED, OSRAM's first street legal¹⁾ LED replacement lamp is now on the market. The plug-and-play solution offers drivers significant advantages: very high cool white color temperature of 6,000 Kelvin with up to 220% more brightness compared to the minimum requirements of ECE R112, up to 5 times longer lifespan compared to halogen lamps and an additional 50% less glare. OSRAM offers related installation accessories for the LED lamps."
