Rechargeable Digital Tyre Inflator and Air Pump

The OSRAM TYREinflate 6000 is a cordless and rechargeable tyre inflator with Li-Ion battery, making it an ideal companion for camping and road trips. The OTIR 6000 digital tyre inflator can inflate a tyre in just two minutes¹⁾²⁾ and has a special setting for other inflatable items such as air beds, air mattresses, balls and more. The auto stop function and the deflator valve help to keep the tyres and other inflatables optimally inflated. . The backlit LED display and integrated LED light provide improved readability of the pressure settings and improved illumination of the working area even in reduced visibility conditions or at night. Thanks to the powerbank function, the OSRAM TYREinflate 6000 can also be used as a charger for electronic devices such as your mobile phone. The scope of delivery includes a mains charger and a 12-volt cable for direct power supply, if required. Also included is a 10-piece adapter set, a storage bag and spare valve caps. OSRAM offers a 2-year guarantee¹⁾ on this product.

1) For precise conditions please refer to: www.osram.com/am-guarantee²⁾ Based on inflating a 13" tyre from flat to 2.4 BAR
3) Measurements of the tyre pressure and inflation of the tyres to the optimum tyre pressure must always be conducted on cold tyres
